

# Brainstorm Starters to Grow Your Church's Global Intercession

---

*Here are a few suggestions to help you brainstorm ways to help your congregation pray more knowledgeably and consistently for global outreach. Choose just a couple to get started.*

- ☞ **Show a [Prayercast](#) video** at the beginning of a worship service (choose a clip highlighting a country where one of your global workers serves). Include this nation in your pastoral prayer.
- ☞ **Engage your people in outreach-focused prayer leading up to Easter.** The [Seek God for the City](#) prayer resources are available in print and mobile.
- ☞ **Join an unreached people group network.** Many networks circulate strategic prayer requests and/or have an online prayer group you can join specifically targeting prayer on their UPG. Contact [Catalyst](#) if you are looking for a network focused on your adopted UPG or country/region.
- ☞ **Focus prayer on the Muslim world during Ramadan** which in 2015 begins on June 18. Guides for adults and children are available from the [30-days network](#).
- ☞ **Ask each of your missionaries to send you a short list of answers to prayer.** Print each on a 4 x 6" card and post them on a bulletin board or wall in a prominent place. Add a title like, "Because People Prayed..." You may want to use a world map or compelling photo as a background.
- ☞ **Share global prayer requests on your church's Facebook page or Twitter feed.** Make sure that you follow all security guidelines so as not to endanger workers or local believers.
- ☞ **Suggest that families include one missionary prayer request each time they thank God for their food.** Some families make a card file of missionary pictures and rotate to a different card each day.
- ☞ **Plan a prayer walk.** You can walk around areas of your community that are home to immigrants or a university campus that hosts international students. Or you can create an indoor prayer walk where various rooms are designated for prayer for different people groups.
