

A network of American and Middle-East churches partnering
for transformation in the midst of suffering

Upcoming Open Ministry Trips

COORDINATED BY

- **Women's Training Conference**
June 2-10, 2018
Held in hotel in suburban Beirut
Cost: \$900 + travel expenses as well as an investment of at least \$5,000 in the overall project

Ananias House is invited a team of American women from our partnering churches to serve our sisters at this women's leadership training conference in Lebanon. We are looking for intercessors, Bible teachers, translators, those offering services of love (massages, manicures/pedicures, haircuts, make-up, etc.), craft teachers, a doctor (advisory only), occupational therapist (advisory only), and mature, godly women with other gifts to share. Women who go will need to have servants' hearts.

- **Jobs-Creating Business Development**
Dates and cost TBD
Held in a hotel in suburban Beirut

We are planning a trip for experienced business people who are interested in assisting believers to develop plans and funding for new enterprises as Christians struggle to get back onto their feet.

COORDINATED BY

- **Support Services for Engaging Islam Conference**
Early to mid-June, variable lengths of time and cost
Held at Horizons ministry center in Beirut

Horizons will hold an Engaging Islam conference June 4-15 in Beirut. We are looking to recruit several people willing to go before and/or during the conference to serve behind the sense. If you are gifted at handling details or being a go'er for conference organizers, this trip is for you!

- **Summer Kids Camp Assistance**
For one or more weeks mid-July to mid-August
Locations and costs vary

Throughout the middle of the summer, Horizons holds day camps for children in several locations across Lebanon. They need teams to help with games, crafts, and other camp activities.

Contact us at info@KinshipNetwork.org for more information on any of these trips.
