

Clarifying Priorities of Our Missionaries/Ministry Partners

Customize this list of questions and ask your missionaries/ministry partners to answer them in order to help you understand their strategic priorities.

1. What is the most strategic thing you have seen God do for and/or through you in the past two years?
2. We know that advances are always the work of God, but what human factors helped bring about that positive result?
3. What is the most strategic thing you are asking God to do, or to help you to do, in the next two years?
4. What is the hardest task or biggest barrier you currently face?
5. What is the most important thing you think our church does NOT understand about your ministry?
6. What one resource/skill do you lack that you think would make the most strategic difference in your ministry?
7. What are the 2-3 things that our church could do that would make the greatest difference in the effectiveness of your ministry?
