

Sample Questions for a Moment-for-Missions Interview of a Missions Intercessor

1. What first ignited your desire to pray for missions?
2. Do you pray for many different missions needs, or do you focus your prayers around one or two missionaries, ministries, or areas of the world?
3. Do you usually pray alone or do you pray with others? If this is a parent with children living at home, ask how they involve their kids in praying with them.
4. How do you know what to pray for? Do you receive specific prayer requests from our missionaries and missions partners?
5. Do you ever get discouraged because you aren't sure your prayers are making a difference? If so, how do you deal with that?
6. What advice would you have for someone who feels like they don't know how to get started in praying for missions?

In a 3-5 minute “moment for missions,” you will have time for only brief answers to a few of these questions. Discuss with your interviewee which they would like to include.
